My first marriage lasted 23 years and we used to have a row now and again like most couples but at least it aired any problems and we had and we were able to move on and even though our marriage ended it had nothing to do with rows or lack of communication so I cannot know how you have put up with it for so long as I am already considering how I can end this awful marriage, if that is what you can call it, as it has turned something that could have been good

and happy and turned it into misery how can you love someone who treats you in this way so it has killed the feelings I had for him in too short a time. These connections are then used to build semantic signatures for each concept and entity, using random walks with restart. But Michelle would not be broken.
